Mirrors by Remcraft

There is one name synonymous with luxury makeup and shaving mirrors: Baci.

Swarovski Crystal Baci Vanity Mirror

These mirrors have earned an enviable reputation worldwide for their incomparable European styling and high quality optical, mechanical and electrical components. No other mirror is able to incorporate such elegant design with the finest distortion-free glass the way Baci does.

Along with Baci, Remcraft's Eco series allows you to enjoy the luxurious feel, quality craftsmanship and precision engineering of the Baci Mirrors at a slightly more affordable price.

Piccolo Tortoise Shell/Gold Compact

The Piccolo compact mirror line does a great job of marrying versatility and convenience with the impeccable quality Remcraft is known for. These mirrors come in seven different styles including wall-mounted, vanity top, hand held,

and purse size. The suction mounted and hand held mirrors are ideal for traveling,

while the purse size compacts are great for every day use on the go. They also make fabulous and affordable gifts! All three lines of mirrors by Remcraft are on display now in our showroom. Stop by and see for yourself these spectacular products.

Storage Vaults

Been thinking about investing in a safe for your home, but not quite sure which safe is right for you? Why not let the trained professionals at Nob Hill help assist in guiding your decision. For clients who have larger valuables as well as the traditional smaller ones that they would like to protect, we recommend one of our storage vaults. Select storage vaults from AMSEC offer a lifetime break-in warranty, an attempted break-in warranty, and a fire warranty. They come with
